THIS FAIR IS ORGANIZED UNDER THE SUPERVISION OF TOBB (UNION OF CHAMBERS AND COMMODITY EXCHANGES OF TURKEY) IN ACCORDANCE WITH LAW NO. 5174.

The Leading Meeting in its Field Brings the Sector Together for the 3<sup>rd</sup> Time!

Adhesive & Bonding Eurasia, as Turkey's only specialized exhibition, brings together sector professionals, new technologies, and innovative products. The event, which will be held at Istanbul Expo Center from November 26<sup>th</sup> to 28<sup>th</sup>, 2025, will be the pioneering meeting of adhesives and bonding technologies used in every field from packaging to automotive, from household appliances to furniture sector.

While the use of industrial adhesives has become a necessity by replacing materials used in product assembly, the importance of special adhesives is increasing in sectors such as automotive, household appliances, electronics, defense, aerospace, medical, and energy.

“

"This year, we participated in the Adhesives & Bonding Eurasia fair for the first time, and our experience was highly positive. The fair attracted a much greater interest than we expected and had a lively atmosphere. Due to the use of our products in various sectors, we had the opportunity to meet visitors from different production units. We are looking forward to participating in the next Adhesives & Bonding Eurasia Fair.
